Giuseppe Andrews

Dolly Balls is 13.
she has a tumor on one
of her pussy lips. She likes
playing with a yo-yo.
she fucks her teachers and drinks
CUTTY SARK.

"My daddy drank that shit up until
the day he died.He had a pet rat
named NIGGER BEN.my slut mother
treated my father like a dog.
she tryed to kill NIGGER BEN and
my dad broke her nose.My mother died
in a boat wreck.I went to her rotten
funeral and put a bottle of my piss in
in her cheap casket.Damn slut!My father
jerked off his world for her and she
just farted like a goose.damn shame.
but we all know that outside our tents
there is pain.we suffer like snakes on
charcoal.

"i hate fucking your pig ass.she told me I ain't got a fucken prayer.I told her i got a bottle and a place to shit.. and that's all that matters to me.. you want me to get on my knees and lick your pussy juice..well bitch, that ain't me and it ain't ever gonna be..and you ever put your fucken hands on NIGGER BEN again..I'll fucking kill you"

"That was written by my father on Valentine's Day.."

Dolly got on the bus and took a seat in the back.she looked out the booger stained window and saw a bum in a rocking chair.He gave her the PEACE SIGN then spit at her.She laughed and got off the bus.she walked over to him and gave him a cigarette.

the bus pulled away .Dolly chased after it..she forgot her purse and inside was her yo-yo.she coulin't catch it.she walked back to the bum.
"My yo-yo is gone Mr.Bum"
"It's alright they sell them everywhere." said Mr.Bum.

She kissed his chest.
"Everyday I window shop
for you" said the bum.

She did "THE TWIST" for him while he ate bread and screamed, "I could crush all these bugs but it don't bring the rush that I feel when you lap up my moments!" He took off his pants and the smell of shit filled the air. Dolly said, "It smells like my parent's wedding! "The bum said," It smells like my parent's funeral!" They both broke out in laughter and ran down the sidewalk holding knives. They went to a bar and ordered oatmeal. They talked about Rod Mckuen, skunks and jazz. Dolly went to the bathroom and washed her hands with lemon lotion. Then her and the bum took a cab down to the beach and fed crackers to the seagulls.

Dolly told him about the tumor on her pussy lip and he asked her what it tasted like. She smiled and whispered, "CHICKEN."
He licked her ears and they watched the sun go away.

"You could smell him from a mile away. His eyes were drowning in a sea of booze. His face had been ripped apart from years of sleeping face down in the weeds. He was dressed in "garbage wear." His fingers were like earthworms crawling across my skin trying their hardest to dig in and find a home."

There was a dead seal on the sand covered with flies and seaweed. There was a wine bottle standing on a rock.

There was one last sip in it. The bum drank it and thought about calling his ex-wife and telling her what a worthless cow she was.He fell asleep on top of the rock with the bottle in his hand.Dolly slept behind a car.

"Where do you want to go?" asked the bum. A mexican restaurant .. I feel like shredded beef" said Dolly. "Alright.. I'll take you to the best mexican joint I know" said the bum. "What's it called?" asked Dolly. "I don't know but it's the real thing" said the bum. They jogged over to the place and ended up eating bean soup. "I love these paintings" said Dollv while pissing her pants."I know, they're fucking great" said the damn bum. "I bet the painter ate bean soup" said Dolly."I bet he liked MMMXMMX cheap candles and pizza." said the bum. Dolly looked around and saw carrot juice being poured. She saw shrimp in a cup with ice. It glowed like a lamp in heat. She looked down at the floor and saw stepped on beans. She wanted to kill someone. She wanted to rob the tip jar. The bean soup was no better XMXMXXXXXX than a squid with a gas problem. She walked out of the joint and screamed, "Eat my pussy tumor!" The bum picked up a cigarette butt off the sidewalk."I want to chew on big dong and finger my baby maker"

"Boy that soup was good..it made me shit good."
Dolly ran over and sucked him off even though she thought the soup was shit. She drank his dirty dick slop.
They sat on a bench and counted their pennies. They went to the booze store and bought some hard lemonade.
Dolly put a penny infront of the donut shop and made a wish, she believed things could change. The bum wanted to fuck her pussy tumor. He was starven for some twat tumor and she knew it. She was

said Dolly. The bum took a bean shit on the sidewalk and yelled, N級要與NEWNOUS

twat tumor and she knew it. She was playing hard to get. He was gonna hang in there until he got to rub his bum dong on her wet tumor lip. His ex-wife was fat because she ate 10 pounds of cheese everyday and never ran around the block.

She just crammed junk food into her mouth until her ass got as big as a blimp.

She was a fat beast who gobbled fucken cheese and steak.

"Those were days made of shit, I had velvet sheets and hangers, but it didn't mean a fucken thing. Her pussy was a gutter full of let-downs and spiders from her past. We almost went broke cause she bought 聚酮酸 so many plants. Our apartment looked like a fucking jungle. You couldn't move. Every inch in that nest was covered with plants. I used to hang on the balcony before she went "plant crazy", that was my smoke area. I'd smoke and watch lovers eat fast food by the lake. At night I would think about the different whores that had my peter in their face, and how I rubbed it on their lips while they tickled their twats and egged for me to pound them. Sometimes I would get a pimple on my dick and they would pop it for me and then munch on that Mustang. They were my miracles. They made me want to survive. Their twats were like a beautiful toilet bowl where I could dump my cock slop. I spent years spraying dong oream in their bowls. I shit my sex on them and they helped me carry on. I sat there for days on that balcony thinken about that shit .. then my gutter snatch wife covered the balcony with those fucking worthless plants. There was no place to stand, let alone sit and think about MEXNERXEMENTAL how good those gals sucked MXXXXXXXXXX my squash.

That ended our marriage. I left and moved in with a toothless nigger named Rita. I met her at a highschool football game. I had started hanging out at those games, pretending to be a parent of one of the players. Then I would look around at the young hummingbirds, in their mall rags. Their hair like wet yarn, colored by lemon juice. Tits like little oysters and legs like beautiful wooden baseball bats. Rita was there cheering her little chimp on and she struck up a conversation with me one night. "Which boy yours?" she asked ghewer on some peanuts. "He's the quarter-back" I said."

mother fucker drinken out the water jug down chere. "she said. "Oh yeah. . I see nim. "I replied. We sat there for a minute saying nothing while she ate some more peanuts. "You want a peanut?" she asked. "No thanks I had a cheese omelette before I came here. "I replied.

whil

i asked. "Rita..what's yours?"
she asked. "Giapetto." I said. "Shit..
you a greasy wop? "she asked. "No..
Giapetto is a french name." I said,

little fart. "Oh..at my old apartment complex there was a mother fucker that lived next door..he was a fag that died of AIDS..he was French" she said. "Well, I'm not french, my daddy just gave me a french name" I replied. "Oh..do you carry a flask? "she asked. "yean." I replied. "Let me take a swig. of it is aid while pulling "It out of my coat." she took her swig and handed it back. I took a swig and lit a cigarette. "Well Rita..what you gonna do tonight?" I asked."

"I'm gonna make a blueberry pie and watch the OLYMPICS" she said. "I'm gonna go drink some beer at the beach.. "I replied. "Would you like to come over and have a slice of pie?"she asked. "Well, . I don't know. . I really like blueberry pie..they say it's good for the soul."I said. "Then come on, let's go, "she said. "Alright." I replied. and that was the start of a three year relashonship that ended with me shooting her son and crippleing him for life. XXMMMMK I did jail time and lost a fine woman. I regret shooting him. . XXXMXXMMXXX but he WAS A no good son-of-a-bitch and I couldn's

"I need to buy a new yo-yo"
said Dolly.

"Alright,we'll walk over to
PIC N' SAVE." said Giapetto."
They walked past the video store.

"Did you see THE LADY AND THE TRAMP?"
asked Dolly."Yes..when I was a little
boy."replied Giapetto. "I love it when
they share the pasta noodle and it leads
to a xa kiss..there's one of those Scotty
dogs in that movie..he has a beard, and I
think the dogs get away from the dog
catcher."said Dolly.

"yeah. they throw them all in a wagon and then they break away and run." said Giapetto.

My mother liked to rent instructional videos. her favorite was one that taught you how to build rocking chairs. that's why when i saw you in that rocking chair it brought back memories ..that's the only good memory I have of my mother. I hated her cause she was shit. but she would build rocking chairs for me. she would drink red wine and build rocking MMX7 chairs. she would drink til MMXXMMMixedx she threw up then she would finger paint

pictures of Ray Charles with
her vomit. She stopped makeing
rocking chairs for me and just
finger painted pictures with her
barf. She finger painted a picture
of Hulk Hogan for my dad. That was the
nicest thing she ever did for him. The rest
of the time she buxximmximmxxxmmmxx
NMXXMMXM
WOULD be out fucking lounge
singers.

she also liked to fuck boxers. khm TRXAXX She shaved her pubic hair into the shape of a heart. she wore a navy blue dress. she ate string beans and mashed potatoes. she taught me how to ride a bike. we practiced in the middle of a feild. she drank COORS and had a friend who was a lasbian golfer.I think they were sucken each other's snatches...she told my dad one time that back in colledge she fucked a woman with a fake cock. She cryed about it. she used to have a go-cart that she would take to the store. she was a KMKK STRIPPER and she had bruises on her leg.My dad called them "Nigger bruises" because he said they were from being kicked by nigger crack heads that She was Fuckery.

They walked into PIC Nº SAVE and went to the toy section. There was one yo-yo left. It was yellow, the same color as Dolly's last one. She looked at it and smiled. It was waiting here for me" said Dolly.

"My father played with yo-yo's as a child. my father had a lot of foreskin when he was a boy. He never pulled it back when he pissed or showered. So when he was eight he had a cock infection. His mother and father had tryed to help him with the problem. They put him in the bath and the father held him down while his mother tryed to pull back his peter meat..he screamed bloody murder and they couldn't get it back so they finally took him to a dick doctor and the dick doctor gave him ten needles in his dick and the shots numbed his peter.so after they numbed it they yanked it back. it was red and dirty. They cleaned it showed him how to do it from RRMXRH. THEN ON.

and the doctor told my father if he promised to pull his peter meat back and wash it everyday he would give my father a present..and my father promised, so the doctor gave him a yomyo.

His mother never let him play with it inside. and he wasn't allowed to take it to school because it would take away from his learning. He learned to hate school because it was the place where he was without his yo-yo. He wanted to kill his teachers and burn his hool to the ground.

Everynight he dreamed about watching his teachers burn in agony and he dreamed of those little sluts and pig children he was surrounded by he wanted to watch them as their heads burned.

They were all worthless and he never wanted to play with them after school: His parents thought he was a manic depressive..

when in fact he was a leader.

"My father grew up to be a garbage man with a drinking problem. . he could have gooken gotten into law school but he said that wasn't for him. He was attracted to garbage, that's why he married my mom. my mother was a fucken scaq. When he met her she was working at a water slide park. She wore a polka dot bikini. She drank iced tea then and wore her hair in a bun.My dad went to the water park a lot because he found the wave pool very relaxing and after a long week of picking up garbage and smelling people's rotten food , he liked to un-wind by floating in the wave pool..my mom was the lifeguard and my dad started talking to her one day..he asked her out for a beer and a hot dog..she agreed and that night after their date he screwed her in the back of his car. They fucked until her pussy was raw. He dropped her off at her mother's place where she was living. They saw each other the followin weekend and fucked like two coked-up horse flies. She told him nobody ever fucked her like that..her beaver hole had found a little piece of heaven. He asked her to marry him. She said yes. They got married a month later. They went to Hawaii for their honeymoon. His heart had found a nest. They were two peas in a pod, until mother got her first taste of wine.

Her and dad were at a New Year's eve party. It was being thrown by this guy my dad worked with. He drove the garbage truck, my dad picked up the trash cans and dumped the shit in the back of it. The guy looked like EXXXXXXX XXMMEX John Denver. He offered my mom a sip off his wine cause my dad told him she didn't drink.she said, "Well, I guess one little sip won't hurt nothen"..that was the end. Two months later she was a fucked up MHZHMB drunken slut bag. She wanted my father to spray his peter slop MANNER on her knockers while she g Pounded wine down her MMMXX throat. She wanted him to MAKXMAK::::::XMAX slurp up her pussy porrage while she garggled white wine and spit it soaked sausage..one time she told him she wanted to drink wine out of his penis hole.

she wanted to put the bottom end of a funnel into his peter hole..pour merlot in it, then tip his dick over and let the merlot pour down her throat. Everything ENERGY revolved around wine.. My dad was getting tired of it.. He was busting his ass picking up garbage and she was laying around with a wine bottle, a dildo, and a TV CUIDE. She had quit her job at the water slide park. She said it had gotten to be too much work.My dad came home one night and she told him the sorry news. she was pregnant. She wanted to name me WINE, but my dad put his foot down. all through the pregnancy she pounded wine down her gullet. Even when she was on the delivery table she was drinking merlot. my dad was happy about me coming into the world, but he didn't like my mother's wine addiction..she told him WINE was her life and without it she didn't want to live. They named me Dolly, after Dolly Parton.. my mother's favorite song was "I will always love you." My mother stopped fucking my dad. she was bored with his old stinken peter. she wanted new and exciting beef. so my dad got his pet rat to keep him company. remember one evening he was sitting around smokeing his pipe and the telephone rang. It was an ex-lover calling himxtmxxmmgxedMimtexx from a pay phone. She wanted to know if they get together for a drink that coming weekend. he said alright. That weekend came and he came dbwnstairs wearing a suit and a felt hat. и mother asked him where he was going..he said, XXXX "I'm going to meet my friends at a sports bar and we're gonna watch the TYSON fight..have a nice evening..I will be home at midnight." he walked out the door. He got home at one.my mother found out he had fucked the hell out of the ex slut of his nd she was slipping him money for new watches and jeans. She beat my father with a belt and he kicked her face bloody. He was sent to jail for a little.When we got out he bought me a puzzle." things that made my angels come together and belong to the family scene..tney wern't praximax te trying..Dolly was..there is no family scene. only peter going into twat and drunken foolishness I wanted to take Dolly and run but I was chicken shit..and I have got to live with that everyday.. the fact that I'm a mother fucking chicken shit 1.10:TTam has noticely

Dolly and Giapetto were walking past the thrift shop when Giapetto spotted one of his homeless pals eating a bowl of chile outside of the funeral home. He was talking to himself.

XER "50 pennies is all I gave for this wonderful chile. The man who dumped it into a cup was a young man from Nevada. He gave it to me in a coffee cup because I asked for it that way. I don't like chile in a bowl..too much to carry..too much to walk around with. and I don't like sitten down no where .. I like a simple cup..that's why a coffee cup is perfect.. I can walk away with it and stand somewhere and eat it and not feel weighed down..my old lady used to give me chile in a salad bowl..and she made it thick and lumpy...where I buy this chile, they make it thin .. it's basically like XEMMEXXXXXXXXXXX beans sitten in water. that's the way I like it..they sell a lot of this shit where I go, cause it's damn good..they also have health food .. they have sliced oranges and white rice. The place is wonderful and cheap"

Dolly and Giapetto walked over to the guy. "Chuck..what's up?" asked Giapetto. "Not much..how's it goin with you Giapetto?" replied the bum. "Good.. how are all the guys doin at the encampment?" asked Giapetto. "They're good..they found a bag full of plastic forks this mornen over by the REGINERAXXXX Bed & Breakfast place. "said the bum. "What were you talken to yourself about?" asked Glapetto.

"Oh.. I was talked about this chile I'm eating said the bum. "Is it good?" asked Giapetto? "Fuck yeah, it's great..it's like beans sitting

"Mabye I'll stop by there tonight and pick up a cup of that shit. "said Giapetto.
"I'll buy!" said Dolly.

they di "That's alright..I'll buy the chile you buy the OLD ENGLISH" said Giapetto.

"What time is it?" asked the lady.

"Time for you to get a fucken watch!" said Dolly.

her parents had already seperated MHRX and Dolly was living with her dad in their CHEVY VAN. Her mother had visitation rights so Dolly had to go over to the house every Saturday night. She hated going over there. The house smelled like exotic birds and cock. It felt different now that she had been away from it for sometime.

she went over early, and the front blinds were open, she looked in before knocking, and her mother was sitting on the couch talking to somebody on the phone and fucking herself with A CANDR.

THEN SHE KNOCKED, HER MOTHER PUT ON HER ROBE, HUNG UP THE PHONE, AND ANSWERED THE DOOR.

THAT NIGHT THEY WATCHED SATURDAY NIGHT EX

Her mother went into her bedroom, and Dolly could hear her talking on the phone.she was talking to a dowboy. In the morning her mother went to the gym, and Dolly WHMXXBMKXXBXMHXX got picked up outfront by her father who was drinking a BUDWEISER.

one time i spent the night \* AT M friend Jeff's house. His folks made us go to bed at eleven o'clock. we pretended we were asleep when they came in to check on us. 10 minutes later we heard them fucking in their bedroom. we cracked their door and watched them. written by WILMA "THE HERMAPHRODITE."

polly and Giapetto slept behind a supermarket that night, and in the morning they went out to locate the hermaphrodite at the airport gift shop. It wasn't very far from where they were. They made it there by three in the afternor and WIlma was glad to see Giapetto again. She invited them over for dinner and cocktails.

When they arrived at Wilma's house, they couldn't believe their eyes.

The place was on fire, and there were signs in the front yard that read: GET THE FUCK OUT OF TOWN YOU HERMAPHRODITE FREAK!

Wilma started crying.
Dolly laughed, got out
of the car and started
running around in Her PANTICS

WILMA CRYED OUT,

"MY PARENTS LEFT ME THIS HOUSE!"

Giapetto got out of the car and ran over to Dolly.

"Dolly,get back in the car..this is a very sad moment FOR WILMA."

"I want you to fuck me infront of this fire with your big log.." replied DOLLY;

Giapetto had to think about this for a minute.

it would end his friendship with WILMA if he were to pork Dolly infront of her burning house... but on the other hand. It since the first time he saw Dolly, he wanted to sink his meat in her., and the pussy tumor made this whole thing even more inviteing..he wanted

to see it so bad..he wanted to kiss it, fuck it, and apray his dong mayonnaise all over it.

He looked at DOLLY and said, "Spread Your legs!"

Dolly took her panties off, layed down on the grass and Giapetto started rubbing her twat tumor. He leaned down and put his mouth on it. she started screaming, "Slap it with your dick!" Giapetto started slapping that

twat tumor with his one-eye-willy and yellen "FREE THE SLAVES!" Dolly leaned forward completely turned on and started sucking his schlong.

Wilma watched on in horror as Dolly fucked Giapetto's mouth with her tumor.

She took it out after a couple of minutes then sat her crack on top of Giapetto's eel.

She fucked it until his ball butter blasted out.

Giapetto grabbed a glob of the butter and covered the tumor with it. He was on top of the world.

I WAS IN SHOCK.
HOW COULD HE LET
A 13 YEAR OLD GIRL
FUCK HIS MOUTH WITH
A VAGINA TUMOR INFRCNT
OF HIS FRIEND'S BURNING
HOUSE?

IT WAS HORRIBLE.
I NEVER WANT TO SEE

HE'S A DISGUSTING FUCK.

fuck that hermaphrodite
piece of shit!
I had the best sex of my
life infront of her burning
scum hole.

Giapetto woke up this morning and told me that I was the only thing that mattered to him in this world.

we shoplifted a bag of potato chips and ate them for breakfast. Then we panhandled for a couple hours and made six bucks. we bought some beer and drank it in an alley.

Giapetto took a shit behind a bush. He sipped his beer like a little bird sipping water out of a fountain.

We talked about robbing an ELECTRIC WHEELCHAIR SHOP. We could steal an electric wheelchair and sell it down at the retirement home for half price.

But instead we decided to rob a surf shop.
We went into the place and Giapetto held a knife to the worker's throat and asked for the cash.

We got two hundred bucks out of the place.
We bought some wine and five bags of porkrinds.

we got drunk and fucked in the alley. Giapetto farted on my pussy tumor and it felt warm like when you slept in your parents bed when you were little.you would sleep between them. Your dad's ass on one side of you and your mom's ass on the other side. You felt safe. That fart made my tumor feel safe.

my mother was trying to crawl underneath the bed.she was screaming, "I'm gonna kill myself!"

me and my father were watching her. He told her, "Get up you depressed nut!"

I started crying and yelling."Don't say that mom!Don't say you're gonna kill yourself!"

my father "Shut the fuck up..she ain't gonna kill herself."

he went away to Paris, she fucked cowboys and they had phone conversations

when he got back they fucked for the last time, and then he brought her downstairs and she confessed to him that she was sucking cowboy cock behind his back and he sat with her by the front door crying and pulling her hair and screaming, "why?"

then we walked around the block and went to our car and listened to music.

she ran outside and yelled..
"Your father uses cocaine!"
we drove away and he talked
to himself and told me not

EXKE DYKE NAMED

SHE WAS WEARING
OVER-ALLS AND STERLYTORY
STEEL-TOED BOOTS.
SHE TALKED LIKE JOHN
WAYNE AND SAID SHE WAS
A RIFLE COLLECTOR.

SHE HAD A TATTOO ON HER NECK THAT SAID:

"KELLY."

I ASKED HER WHO KELLY
WAS AND SHE SAID SHE
WAS HER EX-GIRLFRIEND.
THEY LIVED TOGETHER FIVE
YEARS AND THEN MANATOXXX
SPLIT UP BECAUSE KELLY BECAME

NATED WITH
SARRENXEURING XEARMAX
WATCHING ANIMALS ANIMARS AND DIDN'T
SHITWANT TO GET FUCKED
BY HULK'S PLASTIC
PENIS ANYMORE.

## 

all she wanted to do was

WMMK watch animals deficate.

for some reason it turned
her on to see a long, wet turd
plop out of an animal's pooper.
her favorite animal to watch
shit was a manimal to watch
shit was a manimal to watch
shelin pony.

when those meatballs started
plopping out the pony's pooper,
she would massage her sweet pusa
and slap her ass cheeks real hard.

you could tell "Hulk" really missed Kelly. she lost her angel to an animals ass. it was more important to Kelly to see a log drop than to be with her woman.

Hulk started takeing amphetamines and learning how to play softball.she was a natural and withem in five years became a professional softball player.Her team went to the OLYMPICS and HULK was named MVP.She was a pitcher. she had big strong arms,

she had big strong arms, shexhadxaxma and she could throw a softball 92 mph.

Then she was surfing one day, and she got attacked by a fucking shark and the son-of-a-bitch tore her pitching arm off and that was the end of NHXXKEXKEXXX softball.

she tryed to slit her wrists a couple times but her parents always got her to the hospital just in time to save her.

she was living back at home AND size w
she was MMMXMMM an amphetamine freak.

Her parents got her checked

XXXXXXXXXXXXIII IN TO RE-HAB

and they got her cleaned up.When—she—got—out she started writing a book entitled:

"FUCK THIS, I WANT TO GET HIGH AGAIN!"

so she started takeing pills and drinking JIM BEAM, but her book became a best seller and she moved to HOLLYWOOD and told her parents to shove it.

I WAS WALKING DOWN
Hollywood blvd. looking
for a sex shop where I
could buy some ass lube,
and I saw this beautiful
chick through a big glass
window.

she was teaching karate to a class full of rape victems and I went in and introduced myself. I told her I was a lesbian with a book on the best sellers list and I wanted to know Ig if she would have sushi with me sometime.

she said yes...she knew who i was...she had read my book and she loved it... she said we should skip dinner and just go back to my place so she could eat my hairy sushi.

she said her beaver was craving a hard plastic penis and I told her I had one 14 inches long.

when she got done \*\*\* warking\* teaching the rape victems how to defend themselves against wHINO niggers in dark alleys, we picked up some TOTT'S CHAMPAGNE AND CRUISED BACK TO MY APARTMENT A NICE EVENING OF HOT TWAT EATING, and fake "fuck" tools.

I put on my favorite record..
"WISH YOU WERE HERE" by Pink Floyd.

we chugged all the champagne and hit the bedroom.

I had a picture of the MONA LISA on the wall that I liked to XMK look at when I was fucking ho's with my strap on steak bone. I would fantasize about pumping MONA LISA with my rolling pin.

WHILE I WAS EATING
TANNI'S TORO\*, I TOLD
HER I WISH WE HAD SOME
BUTTHOLE LUBE BECAUSE
IT MAKE IT MORE COMFORTABLE
FOR HER WHEN I STARTED
ROCKING HER ANUS WITH
MY WAND.

SHE SAID SHE DIDN'T
NEED ANY ASS CRACK LUBE..
HER POOPER HAD BEEN FUCKED
SO MANY TIMES IT WAS
AS WIDE AS AN PAPER
PLATE.

SHE TOLD ME TO RREMXXX
STRAP ON MY 14 inch
DILDO AND LET HER HAVE IT.
SHE EXCUSED HERSELF AND
WENT INTO THE BATHROOM
TO CRACK A ROTTEN FART.
I SNORTED A LINE AND WHEN
SHE CRAWLED BACK IN BED I
WAS READY TO SOCK IT TO HER
SNATCH WITH MY 14 inch
BLACK.

I CALLED MY DILDO,

"KING TUT"

BLACK BULL HORN.
I ROCKED TANNI WITH
IT UNTIL HER TORO FLOWED.
THE ALL 14 INCHES OF
"KING TUT" WAS COVERED
IN WITH HER SOY SAUCE.

THEN SHE HAND-CUFFED

ME TO A WHEELCHAIR. (IT WAS A GIFT THAT I WAS GONNA SEND TO MY MOTHER AS A BIRTHDAY PRESENT..MY FATHER CALLED ME AND TOLD ME SHE FELL DOWN THE STEPS DRUNK ON RED BULL\* AND BROKE BOTH HER LEGS, AND I FELT BAD BECAUSE WHEN I LEFT FOR HOLLYWOOD I TOLD HER TO EAT A NIGGER TURD."

\*TORO is Japanese for "TUNA"

SO TANNI HAD ME CUFFED TO THE WHEELCHAIR AND SHE SHOVED HER WATERMELONS IN MY FACE AND I SUCKED THE SHIT OUT OF THEM.

SHE GOT A BEER OUT OF THE ICE BOX AND POURED IT ALL OVER HER BOX.

THEN I LICKED HER BEER . FLAVORED BOX UNTIL THAT HAIRY BABY LEAKED MORE SOY SAUCE.

SHE PUT A DISH WASHING GLOVE ON AND FUCKED MY TWATTER WITH HER HAND UNTIL I DRAINED MY CUNT KEG.

SHE MOVED IN WITH ME A WEEK LATER BUT IT DIDN'T WORK OUT. WE FOUGHT A LOT, AND I KNOCKED ALL HER TEETH OUT WITH AX ONE OF HER KARATE TROPHEYS.

SHE WAS ALSO GETTING IN THE WAY OF MY WRITEING.
PEOPLE WERE WAITING FOR MXX A FOLLOW UP TO

"FUCK THIS I WANT TO GET HIGH AGAIN."

AND I WAS TOO BUSY EATING TANNI'S TORO AND TAKEING HER TO THE"CHEESECAKE FACTORY"\* EVERYNIGHT.

I THREW HER OUT AND GOT TO WORK ON MY NEXT BOOK.

I ENDED UP CALLING IT .. "LESBIAN PRINCESS"

IT FLOPPED.

I was devastated.
I thought it would

last one...boy was i

one of the worst selling

LIKE A NEW PERSON.
I EVEN WENT "STRAIGHT"
FOR AWHILE..IXHKE I STARTED
DATEING CUBA GOODING JR.\*

HE INSPIRED MY NEXT BOOK
ENTITLED.. "WHERE HAVE YOU BEEN ALL MY EXRE

IT FUCKEN FLOPPED AND CUBA LEFT ME FOR A GOOK VIOLEN PLAYER. I WAS OVER. I SNORTED UP ALL MY MONEY AND WAS LIVING IN MY CAR.

I WAS EATING #XXBMEERK
